Dear Dr. Alexeeva:

The American Board of Psychiatry and Neurology, Inc. is pleased to inform you that you have passed your examination for certification in the subspecialty of Vascular Neurology held April 13 - 17, 2009. Your ten-year, time-limited certificate will be printed with certificate number 715.

The Board will submit your name and address for listing in a future edition of the DIRECTORY OF MEDICAL SPECIALISTS and the ABMS COMPENDIUM OF CERTIFIED MEDICAL SPECIALISTS. Lists of Diplomates are also sent to other selected publications and your name and publication address will be included in these lists. Verification of your certification will also be available in the on-line physician search at the American Board of Medical Specialties (of which the American Board of Psychiatry and Neurology is a member Board) web site at www.abms.org. Please verify your mailing and publication addresses on the enclosed form. If there is a discrepancy, return the form to us within 30 days of the date of this notice. If you have already completed this form, thank you. Your mailing and publication addresses have been noted and will be processed accordingly. Your certificate will be sent to you in approximately **three months** by our printer, Jim Henry, Inc.

Please note that it is the responsibility of the diplomate to keep the Board advised of any change in the status of licensure. The Board shall have the authority to revoke any certificate issued by it or to place a certificate holder on probation for a fixed or indefinite time if the person to whom the certificate was issued made any material misstatement or omission of fact to the Board in his or her application or otherwise.

As a diplomate, the Board encourages you to include a statement on your stationery and printed material stating "a diplomate of the American Board of Psychiatry and Neurology, Inc., a member Board of the American Board of Medical Specialties."

Diplomates are responsible for notifying the Board of address and/or e-mail changes. Please submit changes to www.abpn.com - Change Address.

Sincerely yours,

Larry R. Faulkner, M.D.
